Email

Notifications from ClickView will be sent to the below email address.

[Verify Email](#)

Note: Updating this email address will not change how you sign in to ClickView.

Change Password

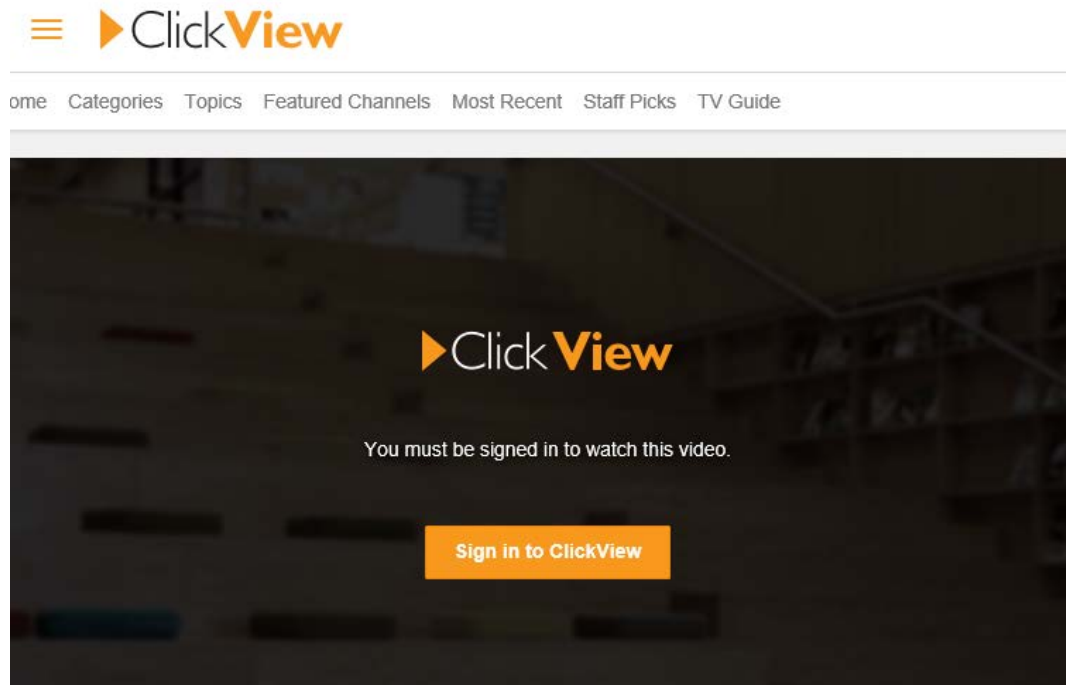

We noticed you are using a single sign-on service to access ClickView.

To update your password, please contact your single sign-on provider.

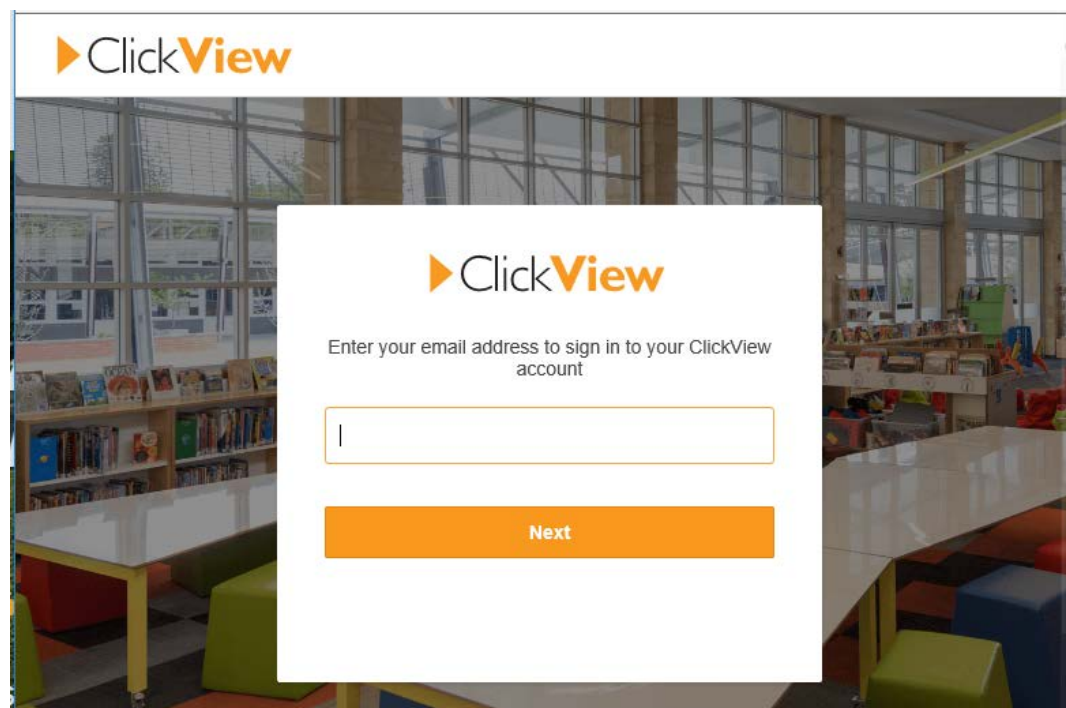

Enter your VU email address. Gmail, etc. will not work. Once this has been done you will not need to verify again on the same PC.

Email Verification before Login

Links to ClickView videos should automatically go through to single sign on page but may show the following instead.

Click the button to Sign in

Enter your email. Must be a VU staff or student email address. Gmail, etc. will not work. This should then take you to the single sign on page. Enter AD login details to proceed.
